

EUROPEAN ASSOCIATION OF
PHARMA BIOTECHNOLOGY

Science to Market 2010
focused on Posttranslational Modifications
of therapeutic proteins and implications
for development Combined with open
technology transfer presentations and
poster exhibition
February 24 – 25, 2010
University of Natural Resources
and Applied Life Sciences
Vienna, Austria

Be part of a strong network!

Who we are

A central network

- dedicated to the advancement of biotechnology in pharmaceutical sciences,
- with the aim to promote and develop pharmaceutical biotechnology in Europe
- linking academia, industry and regulatory bodies

Members

- Pharma and biotechnology companies
- Pharma and biotechnology associations
- Academic institutions
- Individuals active in the field

Benefits

- Create networks
- Initiate cooperations
- Facilitate project and technology transfer
- Get and post information
- Participate in special interest groups
- Attend and contribute to conferences and workshops
